Reviews

A must buy book if you need to adding benefit. We have study and so i am sure that i am going to likely to study once again again in the foreseeable future. I realized this book from my i and dad encouraged this ebook to discover.

(Duane Fadel)

GREEN MIGRAINE

Copper Canyon Press, United States, 2016. Paperback. Book Condition: New. 224 x 173 mm. Language: English . Brand New Book. Reading Michael [Dickman] is like stepping out of an overheated apartment building to be met, unexpectedly, by an exhilaratingly chill gust of wind. The New Yorker These are lithe, seemingly effortless poems, poems whose strange affective power remains even after several readings. The Believer My master plan is happiness, writes Michael Dickman in his wonderfully strange third book, Green Migraine. Here, imagination and reality swirl in the juxtaposition between beauty and violence in the natural world. Drawing inspiration from the verdant poetry of John Clare, Dickman uses hyper-real, dreamlike images to encapsulate, illustrate, and illuminate how we access internal and external landscapes. The result is nothing short of a fantastic, modern-day fairy tale. From Where We Live : I used to live in a mother now I live in a sunflower Blinded by the silverware Blinded by the refrigerator I sit on a sidewalk in the sunflower and its yellow downpour Michael Dickman is the winner of the 2010 James Laughlin Award from the Academy of American Poets for his second collection, Flies. His poems are regularly published in the New Yorker. He was born and raised in Portland, Oregon, and teaches poetry at Princeton University.
