Post Romantic Stress Disorder: What to Do When the Honeymoon is Over

By John Bradshaw

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Post Romantic Stress Disorder: What to Do When the Honeymoon is Over, John Bradshaw, John Bradshaw is arguably the most accomplished and well-known leader alive today in the addictions field. He taught us about functional and dysfunctional families, showed us how shame could become toxic and poisonous to our core selves, and helped us understand and heal the wounded, vulnerable 'inner child' conceived by, and thriving in, that environment. In Post-Romantic Stress Disorder (PRSD), John Bradshaw gives readers a clear explanation of the difference between falling in love, lust and true love. Based on his research, PRSD is a serious psychological disorder and the cause of 40 per cent of all divorces - divorces that could have been prevented. Every day people throw away perfectly good relationships because they just don't know how to navigate the tides, but if they could learn and understand the concepts Bradshaw presents in this book, the portrait of the family unit could have a whole new landscape. Join this great teacher as he tackles issues that threaten and endanger so many modern relationships. Be encouraged as he leads the way to a deeper and...

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Camylle Larson

Merely no phrases can describe it. It really is really intriguing throughout reading time. I am happy to tell you that this is basically the greatest book I have gone through in my own lifestyle and might be the greatest book for ever.
