ANNALS

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Annals, Cornelius Tacitus, Cynthia Damon, This is a compelling new translation of Tacitus' "Annals", one of the greatest accounts of ancient Rome, by Cynthia Damon. Tacitus' "Annals" recounts the major historical events from the years shortly before the death of Augustus to the death of Nero in AD 68. With clarity and vivid intensity Tacitus describes the reign of terror under the corrupt Tiberius, the great fire of Rome during the time of Nero and the wars, poisonings, scandals, conspiracies and murders that were part of imperial life. Despite his claim that the "Annals" were written objectively, Tacitus' account is sharply critical of the emperors' excesses and fearful for the future of imperial Rome, while also filled with a longing for its past glories.
