Reviews

This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.

(Roxanne Stehr)

LIECHTENSTEIN: A MODERN HISTORY (HARDBACK)

I.B.Tauris Co Ltd, United Kingdom, 2004. Hardback. Book Condition: New. New.. 238 x 166 mm. Language: English . Brand New Book. Liechtenstein - an Alpine curiosity? A haven for financial criminals? Or a success story in modern Europe? This book examines the reality behind the cliches. Excluded from the League of Nations in 1920 because it was thought too small, it is now an active member of the United Nations, the Council of Europe and other international organisations. Its history has been dramatic and precarious. Several times it was in danger of vanishing from the map, most recently in 1939. It has no natural resources beyond a hard-working and entrepreneurial population. Since the 1940s low taxes, liberal regulation and small government have helped to transform it from an agrarian backwater into one of the most advanced high-technology industrial countries in Europe. Its manufacturing companies are important providers of employment to people from the surrounding region. Its flourishing financial services sector, although criticised in the past, is now better regulated than many others in Europe. Liechtenstein s constitution is a unique blend of strong monarchy, vigorous direct democracy and an active parliament. There is a tradition of robust political debate but an underlying desire to reach consensus. The result is a high degree of political stability, one of the preconditions for the country s economic success, high standards of living and welfare and flourishing cultural life. The book analyses the reasons for Liechtenstein s political survival and economic success. It ends with a study of the prospects for this many-sided mini-state as Liechtenstein faces the challenges and opportunities of a changing Europe: a Europe that might even have some useful lessons to learn from Liechtenstein.
