Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Cool Publications, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Fighter s Codex is a forge. It will take the raw power that is you and, over 30 days, turn it into a highly efficient, potentially lethal, kick-ass, fighting machine. You could be new to this or you may already be doing some martial art, it s designed to benefit you regardless. Go through each day, pick a level (where appropriate) and follow through the exercises. If you re not sure about the execution of any of them check out the videos in our exercise library. There are performance, practice and recuperation days all built into this. It is designed to increase your speed, stamina, strength, flexibility, tendon strength and motor-coordination skills. You will perform some of the training routines practiced by world class martial artists. It will make you aware of your body and the way it moves in a way you have never quite been before. There are also handy, instructional videos you can access on the YouTube channel that better illustrate some techniques. Those who go through it get to meet their badass self on the other side of the 30 days.
