Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Pub Date :2011-08 Publisher: China Agricultural Science and Technology Press sheet: 16 and the value of spring is not early summer. although confront Huiming. wind and rain impermanence rainbow after the rain. however. against the background of green everywhere. but also showing the life of a warm and beautiful. In 2010. China's textile and garment exports exceeding \$ 200 billion. a record high. The first four months of this year. the textile and garment exports of \$ 68.5 billion. a year-on-year growth of 27.39%. The figures very festive. However. the contrast in the textile and garment exports growing at the same time. most companies. especially SME's profits did not rise but fell. or even losses. to close down. facing difficulties are likely to be more difficult when compared to the 2008 financial tsunami . According to Customs data I will collate. 2010. China's textile and apparel export price index was 122.03. 1-4 months of this year. the export price index was 135.9. This confirmed that the growth in exports to benefit from the support of the export price increases to some extent. But. regrettably. the export price of the upgrade did not bring profits to the enterprise. enterprises are facing a cost increase while profits drop pincer attack situation. In recent years. the price of raw materials. labor costs rose sharply and the appreciation of the renminbi and soaring. overwhelmed. and the export price of the upgrade is very limited. far lower than the cost of rising corporate profit margins continue to be squeezed. so the production cost of a straight line. Even so. some order is being transferred to the Southeast Asia and other low-cost countries. Although...
