University of Tennessee Press. Paperback / softback. Book Condition: new. BRAND NEW, Removal Aftershock: Seminoles Struggles Survive West, Jane F Lancaster, A chronicle of hardship and persistence, Removal Aftershock centers on the Seminoles and their experiences in the West after the federal government forced them out of their Florida homelands during the early 1800s. In telling the story of the Seminoles after removal, Jane Lancaster highlights a neglected area of Native-American studies and places the tribe in proper historical perspective. Despite their countless hardships and theinhumane policies of the government, the Seminoles have survived to the present day - an enduring testament to...
