

The Restless Sea: Exploring the World Beneath the Waves

By Robert Kunzig

W. W. Norton & Company. Hardcover. Book Condition: New. Hardcover. 352 pages. Dimensions: 8.3in. x 5.9in. x 1.4in.

Meticulously researched and elegantly written, this book answers questions about the ocean I didn't even know I had. For the first time, I feel I truly understand the other two-thirds of our planet. Anyone who loves the sea should read this book. Sebastian Junger, author of *The Perfect Storm* A vivid, up-to-date tour of the Earth's last frontier, a remote and mysterious realm that nonetheless lies close to the heart of even the most land-locked reader. The sea covers seven-tenths of the Earth, but we have mapped only a small percentage of it. The sea contains millions of species of animals and plants, but we have identified only a few thousand of them. The sea controls our planet's climate, but we do not really understand how. The sea is still the frontier, and yet it seems so familiar that we sometimes forget how little we know about it. Just as we are poised on the verge of exploiting the sea on an unprecedented scale—mining it, fertilizing it, fishing it out—this book reminds us of how much we have yet to learn. More than...
