

Ion Channel Localization

Filesize: 3.99 MB

Reviews

Certainly, this is actually the greatest job by any publisher. It is really simplistic but shocks within the 50 % of the pdf. I am just happy to tell you that this is the very best ebook i have read in my own lifestyle and may be he greatest ebook for actually.

(Marge Jacobson MD)

ION CHANNEL LOCALIZATION

To save **Ion Channel Localization** eBook, make sure you refer to the hyperlink below and save the file or have access to additional information which are in conjunction with ION CHANNEL LOCALIZATION ebook.

Humana Press Inc. Paperback. Book Condition: New. Paperback. 502 pages. Dimensions: 9.0in. x 6.0in. x 1.2in. Since the pioneering discoveries of Hodgkin, Huxley, and Katz, it has been clear that specific ion conductance pathways underlie electrical activity. Over the ensuing 50 years, there has been ever increasing, and occasionally explosive, changes in the scope of efforts to understand ion channel behavior. The introduction of patch clamp technology by Erwin Neher and Bert Sakmann about 20 years ago led to the realization of the great variety of novel ion channel species, and the subsequent revolution in cloning has revealed an even greater diversity of the underlying molecular entities. Today, advances in the study of ion channel structure and function continue at a high pace, from angstrom resolution imaging of crystallized channels to their genetic manipulations in animals. In this regard, the field is a balanced one that inquires not only what ion channel entities are there, or how they operate, but also where are these molecular electronic switches. However, this balance is not particularly well presented to the general scientific audience or to specialists in the field. There are plenty of wonderful and useful books and monographs, as well as conferences and meetings on virtually every aspect of ion channel structure and function. However, we are unaware that the channel localization theme has been considered in a unified forum. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
