Brand New Book ***** Print on Demand *****.Excerpt from Pneumonia and Typhoid Fever: A Study The first edition of this pamphlet was noticed by the Boston Sunday Globe, as follows: [From the Boston Sunday Globe, May 10, 1891.] Pneumonia and Typhoid Fever; a Study. If the author of this little pamphlet had used the term an expose instead of a study, it would have been quite as appropriate. He has quoted freely from the private utterances of physicians of the highest repute facts that were never designed for the ears of the public, - which does not take much interest in medical literature in general, - and in giving us the cream of the best thought of the foremost medical men in this country and Europe, backed up by his own most emphatic indorsement, he has certainly earned the gratitude of all who employ or ever expect to employ a family physician, if not that of the doctors themselves. These, however, cannot afford to miss reading this caustic little monogram. If typhoid fever is really a readily curable disease, and a certain method of...
