When the going got tough for one young man raised on the inner-city streets of Detroit, instead of getting tough and retaliating, he decides to take a different route in life. After young Roberts runs in with the law; rather than to fight against a corrupt penal system that has brought many young black men to the doorstep of prison, and some to an early grave, Robert chooses to make a difference, in order to prevent himself from becoming just another statistic of his time. After Robert meets Wally, a black business owner, situated within a predominately white neighborhood of Roseville, Michigan he soon gains the knowledge he needs to make it through school and to become the man he has always wanted to be. He spends the bulk of his time working with Wally, down at the auto repair shop, while learning the lessons of life. The lessons that Robert would learn from Wally would become the very lessons that would end up changing his life forever. After his mother's sudden death; instead of becoming angry at the...
