Guernica Editions,Canada. Paperback. Book Condition: new. BRAND NEW, Exaltation in Cadmium Red, Sonia Di Placido, This collection splatters and brushes in poems, both as a toxic, poisonous, metallic mix, and a rich, vibrant, powerful oil colour. Shades of cadmium red have persisted throughout history as the most exuberant in the oil-paint palette; the hues meant to be mixed with other oils in subtle, specific, and precise doses for greatest effect. This body of poems revels in this fanatical, fantastic colour to express the heights and depths of passion -- engaging in meditations on prayer, spirituality, feminism, and the breadth of existence in a post-colonial, transnational and transsexual age.
