NATIONAL TRUST, United Kingdom, 2016. Paperback. Book Condition: New. 210 x 210 mm. Language: N/A. Brand New Book. But despite its long and varied history, Greyfriars almost didn't make it to today. In the mid-20th century, many of Worcester's historical buildings were demolished. If it wasn't for a determined group of locals, Greyfriars and the surrounding Friar Street shops may have been among them. Instead, thanks to that group, this 600-year-old manor survives to offer an insight into Worcester's medieval past. But most of all, it paints a picture of the two siblings who saved, conserved and lived here, Elsie and Matley Moore. Remaining as they left it, Greyfriars is, above all, a welcoming family home and peaceful retreat from the hubbub of the city. About the author Julie MacLusky is a writer whose work has encompassed screenwriting, short fiction, non-fiction and broadcast journalism with the BBC. Her publications include *Is there life after film school?* (Continuum) and *Teaching Creative Writing in the Primary School: Delight, Entice, Inspire!* (McGraw-Hill). She founded the degree in Creative Professional Writing at the University of Worcester, where her educational consultancy provides support for those interested in using writing as a tool to engage students and drive up standards. Julie is currently writing a thriller designed as an antidote to Chick Lit, and in collaboration with an Illustrator, a children's picture book.
