

The End of the Suburbs: Where the American Dream Is Moving

Filesize: 8.43 MB

Reviews

The ideal publication i at any time go through. It is actually rally fascinating throgh reading through time. I am pleased to inform you that this is actually the greatest book i have got read through during my individual existence and might be he best book for at any time.
(Alexandre Cruickshank)

THE END OF THE SUBURBS: WHERE THE AMERICAN DREAM IS MOVING

Portfolio, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book is a steel fist in a velvet glove. Beneath Leigh Gallagher's smooth, elegant prose there is a methodical smashing of the suburban paradigm. When all is done, a few shards remain but only because she is scrupulously fair. This story of rise and ruin avoids the usual storm of statistics nor is it a tale told with apocalyptic glee. The End of the Suburbs is the most convincing book yet on the lifestyle changes coming to our immediate future." Andres Duany, founding partner of Duany Plater-Zyberk & Company and co-author of Suburban Nation "The book is loaded with fascinating detail wrapped in a vivid story Gallagher creates from behind the scenes of America's greatest promotion: the suburbs." Meredith Whitney, author, The Fate of the States and founder, Meredith Whitney Advisory Group "Leigh Gallagher asks all the right questions and comes up with surprising conclusions in this sweeping discussion of the future of the suburb. Spoiler alert - it's a bleak future for the burbs, but don't panic: Gallagher foretells a new world order where the conveniences of the urban lifestyle rewire our understanding of the American Dream. You'll never look at a cul-de-sac the same way again after you enjoy this book, which is simultaneously entertaining and informative, breezy and analytical." Spencer Rascoff, CEO, Zillow " The End of the Suburbs is a compelling, insightful must-read on what author Leigh Gallagher calls the 'slow-burning revolution' re-mapping the shape of America and its future. Her masterfully-argued case springs to life with both impressive research and empathetic portraits of those seduced and often betrayed by suburbia's promise of a more livable life. Now, where's my moving truck? Oh, right. Stuck in commuter traffic." Linda Keenan, author...
