Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Capons for Profit This is Book No. 6, of the Cyphers Series on Practical Poultry Keeping, and is an entirely new and revised edition of Capons for Profit, being re-written and brought down to date especially for this series. It is essentially a book for the beginner, and, though from the pen of an expert in the art of caponizing, it is treated from a beginner s viewpoint. Capons for Profit is, we believe, the only text-book on Capons and Caponizing treating the whole subject so that this profitable field of practical poultry work becomes as plain and easy to learn as the alphabet. We take pleasure in presenting this new and highly creditable addition to the Cyphers Library, feeling assured that our readers will welcome it. Book No. 1 of the series is Profitable Poultry Keeping in All Branches, a practical general treatise on the whole poultry industry. Book No. 2, is Profitable Care and Management of Poultry, telling what to do and how to do it. Book No. 3, Profitable Poultry Houses and Appliances, contains plans for sixty poultry buildings and many poultry plant appliances. Book No. 4, Profitable Egg Farming, tells all about this money making branch of poultry keeping. Book No. 5, Profitable Market Poultry, tells all about squab broilers, broilers, roasters, ducks, turkeys and geese. The books of this series contain the best and most complete information on the subjects treated that has been published to date, and we believe that progressive poultry men will find them the essential helps to success. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This...
