Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a first book of poems written between 2013 and 2014. The poems are composed in a number of different styles from free verse to more restrictive rhyme schemes. Some of the poems reflect my growing interest in the blues, and some reflect my interest in Buddhist philosophy and the nature of the interdependent self in relation to an ever changing world and being in the moment as a kind of mental refuge. The poems deal with philosophy, love, the war in Vietnam, alienation in an age of increasing mechanization, as well as social and political turbulence. I d like to think that I ve synthesized tradition and modernity in terms of both imagery, style, and content.
