John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Dear Little Angels: Ariel, Alexandra Wenman, Love, joy, laughter, comfort, security, creativity, imagination, inspiration and magic are the key ingredients that make a child's world go round. The Little Angels series evokes all of these things, along with teaching children - and reminding their parents - about some very important life lessons. This is all done through the pure, loving, supportive and positive messages and guidance of the Archangels. Each book focuses on one particular Archangel, how you can meet them and which specific life issue/area they can help with (i.e. Michael brings you courage when you're scared), and includes a simple colour-based mini meditation designed to captivate the child's imagination, and help them to connect more easily to the angelic beings. The books are written in rhyme for a lullaby effect to give added comfort and reassurance, and to aid the child's own reading ability as the words flow more easily in rhyme. Many children have an imaginary friend, but these books prove to little ones that their angel pals are very real. Invite the angels in and they can make your life truly magical.
