

Read This First: The Executive's Guide to New Media-From Blogs to Social Networks

By Ron Ploof

iUniverse, United States, 2009. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.What is your Company's Online Reputation? If you want proof that business communication has changed forever, just type your company's name into a search engine like Google or Yahoo and behold its online reputation. The results are frequently jarring because instead of finding brand messages carefully crafted by those on your payroll, most executives find a mishmash of content created by those who aren't new influencers who are using New Media technologies to share their thoughts about your products and services. If you want to learn how to monitor and manage your online reputation, if you'd like to know how to properly influence these new influencers, if you'd like to hire employees who are well equipped to work in our new online world, you need to Read This First. You will learn: *Why you can no longer control your brand and why you shouldn't try. *Low cost, low risk, step-by-step methods to bring New Media into your organization. *How to use free, web-based tools to increase employee productivity while enhancing your company's...

Reviews

The most effective book I at any time read through. It is definitely simplistic but surprises in the fifty percent from the ebook. Your daily life span will probably be enhanced once you finish reading this ebook.

-- Jules Dietrich V

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my dad and dad suggested this publication to learn.
