ATTITUDE TOWARDS SCIENCE OF SECONDARY SCHOOL STUDENTS

2015. Hardcover. Book Condition: New. 188 About the book:- The book 'Attitude towards Science of Secondary School Students ' written by Dr. Savita Mishra is an effort to explain the importance of inculcating right kind of attitude amongst the students for achieving coveted success in their studies. This piece of work is the result of psychological scanning of behavioral aspects of cross sections of students' vis a-vis their achievement in studies. The book is expected to help all those concerned with their child's career. The book will help the guardians in developing right kind of attitude towards studies to their wards; teacher and teacher educators in analysing the attitude of students and inculcating positive attitude towards their chosen field of study; research scholars in carrying out further in-depth studies in this field; policy makers in formulating appropriate policy towards developing positive attitude; government for initiating appropriate plans; and a host of other users for attaining coveted success in their chosen field of activity. About The Author:- Dr. Savita Mishra is a Ph D in Education. She has been an ardent reader. She possesses degrees like M Sc (Environmental Science); M Sc (Applied Biology); MA; (Educational Planning & Administration); M.A.(Education); M Ed; M Phil (Education); NET and SLET. She is engaged in teaching and research activity for last ten years. She has contributed a number of research articles, published in leading journals both within and outside the country. In her pursuit, she has also written two books 'Triumph and trials of School education in Sikkim' and 'Handbook on Environmental Education' for B Ed and M Ed students. The books have received commendations from the readers. She has also earned a number of awards and accolades from leading national and international organization in recognition of the services rendered towards Educational and Social...
