*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

DREAMING OF CHANEL

HarperCollins Publishers, 2010. Hardback. Book Condition: New. 15 x 20.4 cm. After the stunning success of DREAMING OF DIOR, Charlotte Smith offers another irresistible glimpse inside the wardrobe every woman would love to own. Inheriting a priceless vintage clothing collection sounds like every woman's dream come [Url removed] when Charlotte Smith discovered that her American godmother, Doris Darnell, had made her custodian of more than three thousand pieces dating from 1790 to 1995, including originals by Chanel and Dior, she was more than a little daunted. From the moment Charlotte uncovered her first treasure, an exquisite 1920s evening dress, she was enchanted. But when she found her godmother's book of stories, the true value of her inheritance hit home. This wasn't a mere collection of beautiful things, it was a precious collection of women's lives. Tiny glimpses of our joys and disappointments, our entrances and exits, triumphant and tragic. In DREAMING OF DIOR, Charlotte shared some of her treasures and the stories of the women who wore them for the first time. Now, in DREAMING OF CHANEL, with special appearances by Chanel, Vivienne Westwood, Zandra Rhodes, Pucci and many more, Charlotte offers another unforgettable glimpse inside the magic wardrobe every woman would love to own. Charlotte Smith is custodian of a priceless vintage clothing collection, the Darnell Collection, she inherited from her Quaker godmother, Doris Darnell. Born in Hong Kong and raised in the United States, Charlotte has a degree in art history and has lived and worked in the United States, England and France. She now lives in Australia. After studying fashion design Grant Cowan moved to London to further his career and has worked as an illustrator on magazines like Harper's Bazaar, Elle, Glamour and Red Magazine. Hardback.
