Numbers Factory: Multiplication and Division, with 72 Arithmetic Cards and 6 Col

By -

Child's Play. 1 Each(s), 2001. soft. Book Condition: New. Combining bingo and flash cards, this colorful math game encourages youngsters 5 and up to practice their basic multiplication and division skills. Each player starts with a large two-sided "collection card," similar to a bingo card; on one side are random numbers below 12, while on the other side are higher numbers. Players then draw lotto tiles, each with a number of items pictured on one side and a multiplication or division sum on the other. The versatile set allows you to play any of a half-dozen games with additional variations, highlighting skills like counting, solving the sum, and finding the factors that can make up a multiplied number. 2001.
