Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

THE MURDER BOOK

Random House USA Inc, United States, 2008. Paperback. Book Condition: New. 185 x 107 mm. Language: English . Brand New Book. L.A. psychologist-detective Alex Delaware has received a strange, anonymous package in the mail. Inside is an album filled with gruesome crime-scene photos. When his old friend and colleague, homicide detective Milo Sturgis, views the compendium of death, he is immediately shaken by one of the images: a young woman tortured, strangled, and dumped near a freeway ramp. The murder was one of Milo s first cases as a rookie homicide cop: a vicious killing that he failed to solve and has haunted him ever since. Now, two decades later, someone has chosen to stir up the past. As Alex and Milo set out to uncover what really happened twenty years ago, their relentless investigation reaches deep into L.A. s nerve centers of power and wealth past and present. While peeling back layer after layer of ugly secrets, they discover that the murder of one forgotten girl has chilling ramifications that extend far beyond the tragic loss of a single life.
