STORIES AND REMARKS

DOWNLOAD

University of Nebraska Press. Paperback. Book Condition: new. BRAND NEW, Stories and Remarks, Raymond Queneau, Marc Lowenthal, Stories and Remarks collects the best of Raymond Queneau's shorter prose. The works span his career and include short stories, an uncompleted novel, melancholic and absurd essays, occasionally baffling "Texticles," a pastiche of Alice in Wonderland, and his only play. Talking dogs, boozing horses, and suicides come head to head with ruminations on the effects of aerodynamics on addition, rhetorical dreams, and a pioneering example of permutational fiction influenced by computer language. Also included is Michel Leiris's preface from the French edition, an introduction by the translator, and endnotes addressing each piece individually. Raymond Queneau--polyglot, novelist, philosopher, poet, mathematician, screenwriter, and translator--was one of the most significant figures in twentieth-century French letters. His work touches on many of the major literary movements of his lifetime, from surrealism to the experimental school of the nouveau roman. He also founded the Oulipo, a collection of writers and mathematicians dedicated to the search for artificial inspiration via the application of constraint. Marc Lowenthal has translated numerous works, including the forthcoming *I Am a Beautiful Monster: Selected Writings of Francis Picabia*.
